

**Devils Down Under Gathering - Hobart,  
Tasmania, Australia  
March/April 2019**

Nine 5W members from Australia, Canada, Finland, Germany and the UK came to Tasmania to join the second 5W Gathering in Hobart, from 27 March to 4 April 2019. The organising committee did a very good job in planning a diversified itinerary.

There were cruises, bus tours, walks, strolls around famous open-air Salamanca Market, tours to historic places such as Richmond Village and Port Arthur, High Tea at Hobart's oldest hotel, visits of a winery and salmon pond, a day trip to Mt Field National Park, Afternoon Tea at Government House, hosted by Tasmania's Governor General. A full programme but also enough free time to explore Hobart and its surroundings on your own. Hotel accommodation was very good and central, restaurants and meals were excellently chosen and enjoyed..

Being a small group, we got to know each other better than in a big group. We had interesting discussions about various topics and learned a lot about our vis-à-vis. Conclusion - 5W Gatherings are definitely worth attending. **Claudia, Germany**
